## SUMARY

I consider myself a responsible and disciplined individual, as well as a motivated and detail-oriented Computer Science graduate with hands-on experience in HTML, CSS, JavaScript, and MySQL.

I am looking forward to my first work experience and a challenging position where I can showcase my skills and contribute to the growth of the organization.

## PROJECT

### College Department Website

**March 2025 – recent**

- Collaborate with cross-functional teams to identify and prioritize features and requirements
- Conduct code reviews and provide feedback to improve code quality
- Develop and execute unit tests and perform system testing to ensure software quality
